

Lloyd Macon-Morris - 36

I pride myself on installing, repairing, and maintaining mechanical equipment to make sure we meet our production goals. I can work on my own to solve issues, but I also need to work with my team to understand what happened and why, so we can avoid the same problem in the future. Hitting maximum performance is the goal, and each day brings new challenges. If you're committed to working safely, staying in touch with the team, and completing each task on time and on budget, this job may be right for you!
